NOVA Tops Teddy Bears in Biloxi

On October 8th, New Orleans took all seven games from The Teddy Bears Lounge Volleyball Team in the first best-of-seven-game series in Biloxi, but not without a fight. NOVA easily took the first three games, and started out strong in the fourth game that would clinch the series of the visitors. But Teddy Bears, playing in front of a big vocal crowd, started playing very aggressively and opened up a big lead behind the heavy hitting of Biloxi's Jeff. NOVA, facing near-defeat, began cat-

ching up, but the big Teddy Bear lead carried the home team to 14-11 and four game points. The team exchanged serves and long rallies until NOVA tied the exciting fourth game at 14-14, and went on to win the game 16-14 to clinch the series. The remaining three games saw good action by both teams, but the more experienced NOVA pretty-much controled the tempo. NOVA's player-coach George Lombard called the series very successful. "We were

going up there with a young and inexperienced team that never competed together as a unit before; we were going up against an already established team with an established style." "Our goal was to try and play our power style no matter what they did, and I was very please that we did; Bobby Labouf was particularly impressive, he played consistently well the entire series." "I was also very amazed at the interest and enthusiasm of Teddy Bears; I think that is the most important aspect in starting competition, and because they have it so strongly I think they will go a long way." "Aside from the good competition, our host was one of the nicest and most hospitable we have ever had."

BEGINNING LEAGUE STARTS FRIDAY

October 2 will be the first night of the NOVA Winter Beginning Volleyball League, to start at 7 p.m. each Friday night. Eight teams are expected to compete in the Round Robin format climaxing with the championship playoffs and awards ceremony banquet. Interested players should come prepared to play at the Lions Memorial Center at Louisiana and Tchoupitoulas. For more information, call 949-6542 or 486-1734.

TEDDY BEARS VISITS NOVA

October 22-23 will be the second best-of-seven game series between New Orleans and Teddy Bears. Teddy Bears will arrive Saturday for an 8 p.m. practice session at the Loyola Field House. The actual match will take place Sunday, 2 p.m. in Cabrini Park of the French Quarter. "Our visitors are going to be very hungry for a win this time," says NOVA Player-coach George Lombard. "Now that they have lost to us, and know what to expect, they will be ready to get even." "I just hope that our movement and transition is better; we've been practicing it for two weeks and we'll need it."

Jack Payne, president, and Bill Newsome, vice president, will present Las Vegas style musical reviews with featured performers, and from time to time, big names in entertainment. Local audiences are very familiar with Mr. Payne's choreography and direction at the Beverly Dinner Playhouse for many musicals, including the last show, *The Music Man*. Payne has also earned a reputation across the nation for his choreography for Los Vegas reviews, theatres and television.

Mr. Payne wanted to bring a quality production show to Le Moulin Rouge. He wanted a show that would incorporate all the exciting glitter and glamour, pizzazz and energy of the French Quarter and Bourbon Street. He searched the country over and found the production show of the year in the main room of the Golden Nugget Hotel and Casino in Atlantic City—Greg Thompson's *Follies on Broadway*. The show was not only voted Best Production Show of the Year, but it garnered the awards for Best Choreography, Best Costumes, Best Orchestra and Best Production Number as well.

Follies on Broadway is a non-stop spectacular featuring a group of eleven young and ultra-talented singers, dancers and gorgeous showgirls wrapped in elaborate costumes, feathers, glitter and glitz. One extravagant production number follows another featuring a tour of hits from some of the biggest and best Broadway musicals.

The scenes change with startling rapidity as production numbers are mounted and staged for medleys that transport the audience to the Mississippi River, Russia, pre-nazi Germany, London, New York, and Gary, Indiana—evoking memories of Broadway's unprecedented musical hit shows.

The energy and talent of the eleven-member cast makes it seem like a cast of hundreds as a kaleidoscope of wigs and costumes enhance the illusion.

Tom Harryman, Betsy Faiella and Steve

Makofsky are the three principals from the Atlantic City cast who will be coming to Le Moulin Rouge. Harryman will play the Master of Ceremonies, Nathan Detroit and Pickering. Faiella will play Sally Bowles; and Makofsky will play Tevye, Officer Krupke, the Salvation Army Officer and Harold Will.

Two exciting performers from New Orleans will be joining the show. Jerry Hawkins, currently living and working out of New York will be playing Tony and Henry Higgins. Jeanne Howell will play Golda, Maria and Liza Doolittle.

Robi Carnahan, the lead dancer and dance captain from Atlantic City has been brought in to choreograph and dance the lead in this show. The rest of the cast—Diane Lala, Annette Phillips, Toni Lovejoy, Debbie McNabb and Tammy Adams—make up the chorus of dancers from New Orleans.

The show is sexy and fun, but does not include any blue material or nudity. It's an exciting evening of nightclub theater for the whole family. The choreography is stunning and the performers are young and vibrant and add their own unique personalities to each number.

The show is a melange of color and excitement. Shows nightly Monday through Saturday. \$17.50 cover charge includes one free drink. Major credit cards accepted. For reservations and information, call 524-4299.

Petite Moulin Rouge, the lounge adjacent to the showroom is open from 11 a.m. until Monday through Saturday. Entrance is at 809 St. Louis St. Petite Moulin Rouge features local entertainers on Friday and Saturday nights.

Le Moulin will be celebrating its opening through Saturday, October 29th. Le Moulin Rouge welcomes all visitors to the city and the local public. Payne and Newsome look forward to a long, successful and happy association with the French Quarter and the city of New Orleans.

CLASSIFIED AD NOTICE

We will publish any classified ad, for practically any purpose or reason, provided that it does not violate existing Libel Laws and meets our oh-so-stringent, as Mink Stole puts it in "Pink Flamingoes," community standards regarding good taste, vulgarity, and the rest of that foolishness.

Non-profit organizations, Birth and Death notices, Messages (or a personal, snide, dishing or hectoring nature) are all free. Yes, free, but then you knew that, you sly pussies.

Now, we have to charge for the others. This means commercial classifieds, For Sale or For Rent ads taken out by individuals to get rid of hot diamond tiaras and unwanted progeny of pets, the hiring of people to do the windows with vinegar and brown paper, the renting of garages and slave-quarters and pieces of camelbacks, et alia.

We also charge for our Personals ad in which you can solicit/describe that person or thing that will take you to places that even the poets only whisper about. And suppose you find Mr. or Miss Right? Isn't it worth a few bucks?

There is a \$5 minimum for Paid Classifieds (a smart-looking bold face sub-heading is included in the \$5 minimum if you wish), and confidentiality regarding Personals is assured. We can even assign you an exclusive box-number—and haven't you always wanted one deep down?—and forward your mail to you or you can grace us with your presence at our push Bywater offices and we can see whether or not you are lying in the self-description you put in your ad.

To place an ad, simply dig up a piece of paper, and allow 25¢ per word (remember the \$5 minimum) and figure out the amount of money required. If you send the wrong amount, we will not print your ad, so don't say you weren't warned. Make payment to IM-PACT, P.O. Box 52079, New Orleans, LA 70152. Deadline for classified is the first and third Wednesday of each month. We must receive your classified by mail. Please—don't call the office—we no longer accept classifieds by phone.

To respond to a personal ad, include the box number in care of the above address.

Gay Fest '84 Needs Supporters...

The GAY FEST board will publish an article in *Impact* monthly. The financial state of the organization, and the functions for the following month, and/or months ahead will be listed. We hope this column will be informative and will give you insight as to the affairs of the festival.

There is a bank balance of \$271.00. From here on in we shall list only the debits and credits for each month.

NOTE: At the next general meeting we will vote on new by-laws, we will also motion to amend the articles of incorporation. Please make an effort to attend. October 26, The Refuge at 7:30 p.m. next GAY FEST general meeting.

For the first time there will be an Official Gay Festival t-shirt logo, poster and other items. Each item is officiated by the board. Submit all poster drafts to the below given address. The 1984 theme is "GAZE AT THE WORLD."

The last Thursday of every month is Las Vegas Night at Charlene's. All proceeds go to GAY PRIDE '84, which is GAY FEST and PRIDE IN THE PARK. From the September 29 Vegas Night, AIDS research was given a donation. Because of inadequate advertisement we didn't have much of a turn out. We will be extending our donation to AIDS research for another Vegas Night. From Vegas Night on October 27 a donation will again be given, and added to the first donation. Everyone is urged to attend and support this worthy cause. We ask that male supporters of AIDS research and GAY FEST attend this function. (We have the girls, where are the boys)

Las Vegas Night will be moved to December 1, due to Thanksgiving. The last Thursday of November we will not hold Vegas Night, please attend on this alternate date.

Another First! We will hold Ms. Gay Festival, Miss Gay Festival (drag) and Mr.

Gay Fest '84 contests this year.

Fireside singing and marshmallow roasting with a few fun people will make for a great Gay Hay Ride on November 12, 1983. \$3.00 donation, BYOL and F, we supply set ups. GAY FEST will be having a Hay Ride and everyone is invited to attend. Tickets are available from all board members. Pick up locations will be Charlene's, 940 Elysian Fields and The Phoenix, 941 Elysian Fields, at 5:00 p.m. on November 12. We guarantee a great time!

We need your rummage! If you have anything you'd like to contribute to our rummage sale, please call 277-1638 or 279-0994, we will pick up.

Hey all you fun-time draggers! We are going to have a GAY FEST benefit drag show. We ask that if your bar, business or club would like to have a number in it contact Errol at 279-4656 (after 5:30) or write; limit number to 6 minutes please. This is an invitation to every club and business, please join us!

We have just had a mailing drive to drum up supporters. Let the bars and businesses you frequent know that you support us. If you'd like to be added to our list, please contact us or come to our October 26 meeting at the Refuge at 7:30 p.m.

Washington Square has been chosen for the 1984 GAY FESTIVAL. We are looking towards the square, but your morale and your financial support is needed to achieve this goal. Booths, entertainment, presentations, information, bands, comedy, speakers and more will be available for your enjoyment. (Be a FESTER, A GAY FEST member.) There shall be a very special kick off to the 1984 FEST, to be described in later issues.

October 17, 25, and 31 will be a Movie Night at Charlene's, 940 Elysian Fields. Beginning in November all Tuesdays will be Movie Night, till May of '84. October
