HINTS FOR STRAIGHTS

A thend of ours, who does more traveling than we are able to, passed on to us a postcard from the Hotel Orleo in American; it is on heavy pink stock, and one side holds the hotel's logo and address, space for message and stamp and address. The other side bears this heading in hold sans serf type: When You Meet A Gay Man: Hints, For The Heterosenual Man. Below it are fourteen suggestions, courteously phrased. It just goes to show that in matters of sexual tolerance, as they are in areast like stilled painting and physician-assisted suicide, the Dutch are miles ahead of us. The copy goes:

1. Do not un screaming from the room. This is rude!

2. If you must back away, do so slowly, and with discretion.

3. Do not assume he is attracted to the control of the copy of the copy of the copy of the copy.

what we are doing." Frameline has received four annual grants; this year's represents a 33% increase over last year's \$9,000 grant.

Tom DMnata, speaking for Frameline, pointed out that Wildmon's at Each was completely nonspecific even the films titles, because they don't even exist yet. Here, they're at acking the concept of a lesshan and gay from the films to the lesshan and gay community, and, in this case, it's not tolerable to us or to the lesshan and gay community, and in this case, it's not tolerable to the NEA. I hope the NEA will continue to stand by that statement."

I bwyer for one of the bars, Norman Kent, says the raids represented an incredible abuse of law enforcement activity." Nearly one hundred sheriffs deputies and DEA agents, backed up by a helicopter, swarmed through Chb 21 in Pemboke Park and the Copa Cabaret in Northern Hollywood, six people were arrested on narcodes charges and alcohol kenses at both places were suspended.

Sheriff spodesman Jim Leljedd said the raid culminated an investigation that began last February. Officials plan to arrest some twenty others on drug-related charges, but deny that the sexual orientation of the patrons played any role in the decison to raid the clubs. "We would lake the same action if the straight clubs were selling occaine openly from the bar stroids."

Laywer Kent said that "the only rationale is that the sheriff wanted to taking gav people out and abusing them."
